

PI_Builtin_Non_Fd_Var

```
graph LR; A[PI_Builtin_Non_Fd_Var] --> B[PI_Blt_Non_Fd_Var]
```

A diagram showing a mapping from a built-in variable to a builtin variable. On the left, a gray rectangular box contains the text 'PI_Builtin_Non_Fd_Var'. A dark blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'PI_Blt_Non_Fd_Var'.
